3-Year Current Budget Figures

¹Some textbooks do not require purchase. They are available via technology platforms in place at South College through APHA and Access Pharmacy through the South College Library Resources site.

²Not eligible for student loan valuation.

³This does not include the cost of a computer, tablet, smartphone, or any other devices deemed necessary by the School of Pharmacy.

Note: These are estimated costs for the entire program. Tuition, fees, and all other costs are subject to change. Tuition for in-state and out-of-state residents is the same. Students are required to have their own health insurance prior to entering the program; many plans offer this service. Costs will vary per the plan. Students are required to have their own transportation both to and from clinical locations. Students are required to have a laptop and mobile device that meets South College School of Pharmacy specifications.
