## Formal Complaint Form

This form should be used to file a formal complaint regarding a procedural irregularity in policy, procedure, process, requirement, facility, or action taken by a South College employee after efforts to resolve the matter informally have been exhausted. Formal complaints are tracked and followed up appropriately using the college's formal complaint tracking process. Before completing a formal complaint, review the *Complaint and Grievances Procedures* in the Catalog ([www.south.edu](http://www.south.edu)). South College policy prohibits any retaliatory action against any person for reporting, inquiring, testifying, or assisting with an investigation of a complaint. South College will not tolerate any form of retaliation for making a good faith report of potential college-related legal or policy violations. Any attempted or actual retaliatory action will be subject to disciplinary action up to and including termination or dismissal by South College. Any alleged retaliation should be reported immediately to South College.
